In connection with the performance of this contract, the Contractor will cooperate with EMTA in meeting its DBE goal and shall have the maximum practical opportunity to compete for

subcontract work under this contract. The current EMTA DBE goal is 2.00%. It is the policy of EMTA that DBE's shall have the maximum practicable opportunity to participate in EMTA contracts. In order to ensure that a fair proportion of the purchases and contracts are placed with DBE's, the proposer agrees to take affirmative action to the greatest extent practicable including good faith effort to identify qualified DBE firms for supplies and services to this proposal. - I. **Prompt Payment and Return or Retainage:** The Contractor shall pay subcontractors for satisfactory performance of their obligations under the Contract no later than 30 days from the date of receipt by the Contractor of each and every payment from EMTA. The Contractor shall return retainage to subcontractors within 30 days after the subcontractor's Contract work is satisfactorily completed. A delay in prompt payment to subcontractors may take place only for good cause, following EMTA's written approval. At EMTA's sole discretion, payment to the Contractor for work performed by subcontractors may be withheld until the Contractor demonstrates to EMTA's satisfaction that subcontractors shall be promptly paid for work performed under the Contract.
