EMTA is in the process of setting the Disadvantaged Business Enterprise (DBE) goals for the Fiscal Year 2018-2020. Based on the 49 CFR 26, we are providing an opportunity for "consultation with minority, women's, and general contractor groups, community organizations and other officials or organizations which could be expected to have information concerning the availability of disadvantaged and non-disadvantaged businesses and the effects of discrimination on opportunities for DBEs."
