INTERLINED ROUTES

At the end of the route, the bus will continue on as a different route. Riders on board will not have to pay an additional fare. Interlined routes allow riders to travel across town without having to transfer buses.

HOW TO USE A TRANSFER

A transfer is good for two hours. When you board the first bus, pay the full fare plus the transfer fare. Make sure to tell the driver you need to transfer before paying. When you board the second bus insert the transfer card into the farebox. The card will expire after the two hour window.
